PRAYER OF THANKSGIVING

Lord of the harvest, we thank Thee for this season of Thanksgiving. We are grateful not only for the material fruits of Thy love and grace; for the things--never failing--by which the soul lives. Good Father, receive our gratitude and help us to show it forth in the spirit that seeks to share all Thy gifts to men. Through Jesus Christ our Lord. Amen.

Dr. Harold L. Brooks.

DID YOU KNOW?

That we have among our members, girls who have accomplished outstanding achievements? For instance, Audrey Grady, in early 1970, caught a 633½-lb. Blue Marlin with a 50-lb. test line which has awarded her the International Championship (for both men and women!)

Another of our members, Mrs. James Bent of Hartford, Connecticut, is the Executive Vice President of The Hartford Savings and Loan Company, and she has been written up in a full page special feature article in The Hartford Times. In the midst of her very busy life she and her husband, Jim, spend short vacations in their home in The Landings.

Each month we shall print interesting facts about some of our outstanding members.

There are now fifteen members of Pachira Garden Circle who are also members of our Auxiliary. In our next issue we plan to have information about one of these members.

DON'T FORGET THE SNOWFLAKE BALL, DECEMBER 4th AT PIER 66.

TELEPHONE COMMITTEE:

Three additional members have been appointed: Mrs. Hazel Iden, Mrs. Fern Meunier, and Mrs. Charles Niebes.

AUXILIARY LUNCHEON FASHION SHOW. (Nov. 9th)

It is impossible to express the deep gratitude and appreciation we all feel (as well as my own personal thank you) to Peggy Burke, Chairman, and all of her committee who worked so faithfully to make this event such a tremendous success. It was "the best ever" and the girls who worked so hard (as well as many understanding husbands) deserve more credit than this space permits. We are fortunate to have so many dedicated workers.

Eunice Loehr, President.

From Miss Florence Ras, Director of The Oral School:

"The goblins and witches may have gone into hibernation until next year but the memory of our Halloween parties lingers on. Any of you who think your social life is busy has strong competition when dealing with students at the Oral School who had three parties given for them on Halloween. It was an exhausting, rewarding experience for all!"

CHILDREN'S CORNER

"A CHILD'S LETTER TO GOD" (Taken from a collection by Eric Marshall and Stuart Hample.)

"O Lord, thank you for giving me my Dad and mother. And there children, and dog and fish. Thank you for giving us the nice world to live in. And eyes to see it. And what we eat and brains to think. Thank you for ever-thing. Love,

Maxine."

Plans for the Children's Christmas Party at the School, Thursday evening, December 17, 7 to 8:30, will be completed later. Anyone interested in participating? If so, call Eunice Loehr, 523-8826.

The staff of editors of The Listening Post all join in wishing you A Happy Thanksgiving.
